BANGALORE, THURSDAY, JULY 13, 1933.

---

## PART I

### IMPORTANT GOVERNMENT ORDERS

#### CHIEF SECRETARIAT

Revives the separate post of Superintendent, Revenue Survey and Settlement.

#### READ—

1. Government Order No. 189-243—C. B. 13-31-2, dated 9—10th July 1931, suspending the separate post of the Superintendent, Revenue Survey and Settlement, until further orders, and directing that the functions of the Superintendent, Survey Department, be performed by the Revenue Commissioner.

2. Government Order No. 3914-6—C. B. 106-31-2, dated 4th May 1932, sanctioning the appointment of Deputy Superintendent, Revenue Survey (in lieu of the Headquarter Assistant) with a view to afford relief to the Revenue Commissioner from the routine work of the Survey Department.

ORDER No. 69-124—C. B. 127-32-2, DATED BANGALORE, THE  
6TH JULY 1933.

The combination of the post of the Superintendent, Revenue Survey, with that of the Revenue Commissioner ordered in the first of the Government Orders read above has not been found to be a convenient arrangement. Even without the additional charge of the Survey Department, the Revenue Commissioner has enough to do as the head of the Revenue and Muzrai Departments and as the chief controlling authority of the Village Panchayats. Government are therefore pleased to direct that the separate post of Superintendent, Revenue Survey and Settlement, be revived and the Revenue Commissioner relieved of the duties of this Department. The post of Deputy Superintendent, Revenue Survey, will be abolished.

R. RANGA RAO,  
*Chief Secretary to Government.*

### Reconstitutes the personnel of the Boards of Visitors for the District Hospitals.

READ—

The marginally noted Government Orders sanctioning the constitution of the Boards of Visitors for the Hospitals at the District Headquarters in the State (excepting Bangalore and Mysore), and for certain Local Fund Dispensaries in the Districts.

1. G. O. No. 11846-56—Med. 62-27-39, dated 22nd March 1929.
2. G. O. No. 14903-14—Med. 277-28-2, dated 20th June 1929.
3. G. O. No. 7048-4—Med. 132-29-2, dated 7th December 1929.
4. G. O. No. 14460-70—Med. 89-23-28, dated 12th June 1930.
5. G. O. No. 1744-6—Med. 89-29-33, dated 11th August 1930.

2. Correspondence ending with letter No. C. 424-10, dated 16th June 1933, from the Senior Surgeon, forwarding for sanction of Government, proposals in regard to the personnel of the Boards of Visitors, in respect of the Hospitals and Dispensaries, except in the Mysore District, referred to in the Government Orders read above.

ORDER No. G: 108-16—MED. 115-32-4, DATED BANGALORE, THE

8TH JULY 1933.

The period for which the several Boards were constituted, having expired, Government are pleased to approve of the personnel of the Boards as shown in the list appended to this order. The Boards will function for a period of two years.

2. The Senior Surgeon is requested to send up proposals for the Mysore District.

R. RANGA RAO,  
*Chief Secretary to Government.*

## Reviews the Report on the working of Jails and Lock-ups.

READ—

Report on the working of Jails and Lock-ups in the State, during the Calendar year 1932, received from the Inspector-General of Prisons with his letter No. C. 839-27, dated 25th May 1933.

ORDER No. G. 136-47—PRIS. 73-32-4, DATED BANGALORE,  
THE 5—11TH JULY 1933.

Recorded.

2. The total number of prisoners of all classes confined in the Jails and Lock-ups including 886 prisoners remaining at the end of the previous year was 6,983. Of these 6,103 were discharged leaving a balance of 880 prisoners at the close of the year. The daily average number of prisoners fell from 854.11 during the previous year to 836.77 in the year under report. It is gratifying to note that the number of Juvenile prisoners under the age of 15 decreased from 115 to 88, and the number of first offenders fell from 79 in 1931 to 40 in 1932. The number of prison offences declined from 951 in 1931 to 883 in the year under review. The percentage of corporal punishments awarded to prisoners for Jail offences however shows an increase from 5.99 during the previous year to 7.36 in the year under report.

3. The gross expenditure of the Department was Rs. 1,27,587 against Rs. 1,35,105 showing a decrease of Rs. 7,518.

4. The cash earnings from the employment of convicts on remunerative labour fell from Rs. 38,092 during 1931 to Rs. 29,062 giving an average cash earning of Rs. 55-7-5 per head of prisoners sentenced to labour as against Rs. 74-6-4 during 1931. The total cost of maintenance of prisoners in the two Jails was Rs. 1,01,737 as against Rs. 1,06,287 in the previous year. The average net cost after deducting cash earnings works out to Rs. 105-8-4 per head as against Rs. 98-6-2 in the previous year. The increase in the average cost is reported to have been due to the increased expenditure under dietary charges as well as to the decrease in the earnings of the prisoners, the increase in the dietary charges itself being due to bills of the previous year having been paid during the year under report.

5. The health, discipline and conduct of the prisoners in the Jails and Lock-ups continued to be satisfactory throughout the year.

6. A sum of Rs. 54,440-12-0 was realised during the year from industries in the two Jails against Rs. 56,467-3-4 in the preceding year.

7. Orders have since issued converting the Mysore Jail into a Sub-Jail functioning directly under the control of the Inspector-General of Prisons.

8. On the recommendation of the Standing Advisory Boards of the two Jails, 35 long-term prisoners were released on probation.

9. Government are pleased to note that the administration of the Department during the year was satisfactory.

R. RANGA RAO,  
Chief Secretary to Government.

## DEVELOPMENT SECRETARIAT

## Quantum of Remission on wet lands yielding a good dry crop.

READ—

Government Order No. R. 1566-77—R. M. 53-31-2, dated 15—16th September 1932, directing the insertion of the following rule as Rule 4 (a) of the Remission Rules:—

"In cases in which wet and garden lands excluding those under perennial garden crops like areca and coconut have been cultivated with dry crops with an yield of not less than eight annas, the remission allowable under Rule 4 will be reduced by the average rate of dry assessment prevailing in the village."
